PROFILE

"A highly motivated and quick-learning B.Tech Computer Science and Engineering student brings a vibrant enthusiasm for tackling complex challenges in the tech landscape. With a solid foundation in core CSE principles and a proactive approach to expanding technical skills, this individual is eager to contribute fresh perspectives and a strong work ethic to innovative projects. They are a collaborative team player with a knack for problem-solving and a genuine passion for leveraging technology to create impactful solutions."

WORK EXPERIENCE   FREELANCE 2022 - 2025

"As a driven and inquisitive B.Tech Computer Science student, I'm energized by the prospect of tackling intricate technical challenges. My freelance experience has been invaluable in sharpening my problem-solving skills and allowing me to bring complex projects from concept to reality. I believe my strong foundation in CSE, coupled with my proactive approach to learning and my hands-on experience, positions me well to contribute meaningfully as a Software Engineer. I'm eager to collaborate, innovate, and apply my passion for technology to build impactful solutions."
